QD6N Series QLED 4K UHD Google TV Model-65QD6N

Discover the ultimate viewing experience with Hisense QD6N QLED TVs, featuring Quantum Dot Wide Colour Gamut technology for vivid, lifelike images. Enjoy unparalleled 4K quality through the innovative 4K Al Upscaler, ensuring refined picture details. Benefit from comprehensive HDR support and Dolby Atmos for immersive sound. Access Google TV, Al Sports Mode, Voice Control, and Built-in Bluetooth for enhanced viewing and connectivity options.

QLED

Quantum Dot Wide Colour Gamut technology reproduces over a billion colour combinations for a wider spectrum of colours for true to life images.

Total HDR Solution

Hisense TVs have taken the sensible approach to HDR with support for all major formats, including Dolby Vision, HDRIO, HDRIO+, and HLG. Never worry about subpar video quality or compatibility again.

Google TV

No more jumping from app to app. Google TV bring together movies, shows, and more from all the subscriptions and organizes them just for you. Need inspiration? Get curated recommendations, use Google's powerful search to find shows across 10,000+apps, or browse hundreds of free channels.

Voice Control

Use your remote's Google Assistant button for TV voice commands. Search for movies, stream shows, dim lights with smart home integration, manage tasks, check your calendar, and get answers on-screen.

Al Sports Mode

Al Sports Mode optimizes sports content, ensuring smooth motion and vibrant colours for an immersive viewing experience. Enhanced surround sound and commentator audio further elevate the enjoyment of sports programming.

4K AI Upscaler

Experience unparalleled 4K quality with Hisense's innovative 4K Al Upscaler. Unlike traditional upscaling, it computes neighbouring pixel colours, restoring lost details and reducing image noise. Elevate your viewing with refined picture quality for all your favourite contents.

Dolby Atmos

Elevate your auditory experience with award-winning audio enhancement that unveils what you've been missing. The multidimensional spatial sound of Dolby Atmos puts you in the middle of the mission, bringing surroundings to vivid life all around you.

Game Mode Plus

Serious gamers wanted! With a powerful blend of 60Hz variable refresh rate and Auto Low Latency mode, conquer any opponent with seamless gameplay, free from screen tearing. Level up and dominate the game!

Built-in Bluetooth

Enjoy your content at full volume without disturbing others in the room by wirelessly connecting your headphones to the TV. Moreover, you can wirelessly connect other Bluetooth-enabled devices such as soundbars, speakers, and keyboards.
