MODELS

55LF5950 55" CLASS

The LG LF5950 Full HD LED TV is the Smart TV* that simplifies accessing your favourite TV shows and movies. LG's smart TV user interface features a launcher bar that showcases content in a simple layout making it easy to get to the content you want. Download the LG Remote App and you can even control your Smart TV with your compatible mobile device like a smartphone or tablet.

LG webOS TV
Smart+

webOS 2.0

LG Smart TV* with webOS™ is quick to learn and fun to use. Connecting to other devices and searching for content has never been easier.

Full HD Resolution

See the best that HDTV has to offer with the outstanding picture quality of Full HD 1080p Resolution.

LED

LED makes TVs slimmer, while also delivering amazing brightness, clarity and colour detail.

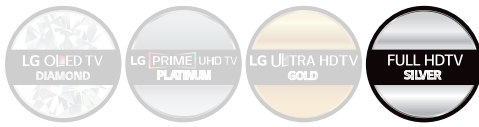

TruMotion
120Hz

*Internet connection and certain subscriptions required, sold separately. Not all LG Smart TV enabled TVs come equipped with the Magic Remote and a separate purchase may be required. Content and services vary by product and are subject to change without notice.
