

Essential Commercial TV with Multiple Use

LT340C(MEA)

LG Commercial Lite TVs are specially designed for hospitality and business. Your guests and customers will welcome the LT340C's user-friendly interfaces and superb image and video quality.

* 49 inch

* Actual product appearance may differ from the above simulated scene.

Essential Commercial TV with Multiple Use **LT340C(MEA)**

VALUE-ADDED SOFTWARE SOLUTION

Quick Menu

LG has created a new Quick Menu (version 3.0), making it easier and more user friendly than ever. A creation tool enables production of hotel promotional videos.

SIMPLE CONTENT MANAGEMENT

USB Data Cloning

USB data cloning makes managing multiple displays more efficient for optimal operation, since users don't have to set up each display one by one. Once users copy data to a USB in one display, it will be easily distributed to others through a USB plug-in.

Essential Commercial TV with Multiple Use **LT340C(MEA)**

EASIER MAINTENANCE

Real-Time Remote Monitoring

In case of malfunctions or errors, real-time remote care is available. When an error occurs, a notification can be sent through the SNMP(Simple Network Management Protocol) protocol.

WOL (Wake-on-LAN)

WOL (Wake-on-LAN) enables users to send a message throughout the network to power on displays.

Essential Commercial TV with Multiple Use

LT340C(MEA)

BETTER USABILITY

Compatibility with AV Control Systems

This LG TV has Crestron Connected® Certification, a function that is dedicated to meeting room and that meets the growing need in corporate meeting space market.

VALUE ADDED FEATURES

Time Scheduler

Create your own time scheduler of your Commercial TV. Once you set opening / closing hours and holidays, the TV will turn on/off according to work schedule.

External Speaker Out

Enhance the entertainment experience by adding an additional speaker. Guests listen to and control the TV audio from anywhere in the business areas, including restrooms.

* It is a network based control system.
Available AV control systems may differ by regions.

DIMENSION

CONNECTIVITY

49" / 43"

32H"

* Dimensions & Jack Panels (Read/Side) may differ from the above image, so please contact LG salesteam to verify before ordering.
