PHILIPS

Features

Modern white design

We know you want a small-screen TV that looks as great as its performance. That's why our design team paired an elegant frame of sophisticated white and a gloss finish to create a fresh, modern design that complements any room.

Portable design

Stylish, compact, lightweight and portable. Your small screen TV lets you catch up with your favourite programmes in any location, whether it is in the kitchen or camping with your family outside. This portable TV keeps you up to date with the news as well as the latest results from your favourite sports. It is designed to be where the fun is!

Sound Base

A small TV has never sounded so good. Hear every detail with perfect clarity and rich, powerful bass. Multiple mid, high and low drivers deliver superb sound quality to bring your movies, programmes, games and music to life. Better still, wireless Bluetooth connectivity makes it incredibly easy to listen to your favourite songs and playlists in premium sound.

Full HD LED TV

Take HD to the next level with Full HD. Offering a crisper image with higher brightness, better contrast and realistic colours, your Full HD screen will make your TV experience even better.
