## About the Samsung SolarCell Remote (Samsung Smart Remote)

**Solar Cell**  
Expose to light when the remote is not in use. This will extend the remote's operating time.

**USB port (C-type) for charging**  
Used for quick charging. The LED on the front will light when charging. When the battery is fully charged, the LED will turn off.

- The USB Cable is not provided.

- Warning:** Fire or explosion may occur, resulting in damage to the remote control or personal injury.
- Do not apply shock to the remote control.
  - Be careful not to let foreign substances such as metal, liquid, or dust come in contact with the charging terminal of the remote control.
  - When the remote control is damaged or you smell smoke or burning fumes, immediately stop operation and then repair it at the Samsung service centre.
  - Do not arbitrarily disassemble the remote control.
  - Be careful not to let infants or pets suck or bite the remote control. Fire or explosion may occur, resulting in damage to the remote control or personal injury.
