

SHARP

LC-22LS510UT Edge-lit LED HDTV / PC-Monitor

AQUOS
LED

Sharp's LC-22LS510UT is a full HD 1080p (1920x 1080) LED widescreen LCD HDTV that provides a slim design, high-definition TV solution with a distinctive small foot print. It features a high-performance LCD panel for high brightness, a high contrast ratio, low-reflection glare protection and wide viewing angles. The edge-lit LED system illuminates the TV to new levels and enables significant environmental benefits such as a longer life expectancy, no mercury and lower power consumption. The LC-22LS510UT includes ATSC / NTSC tuners to receive off-air broadcasts as well as digital cable QAM capability to receive non-scrambled digital cable programming*¹. In addition, the LC-22LS510UT is PC compatible and can function as a HDTV monitor for greater versatility. The LC-22LS510UT features a table top design that can be wall mounted using a VESA 75 x 75 mounting bracket.

Features:

Full HD 1080p Resolution.

Edge-lit LED System enables significant environmental benefits such as a longer life expectancy, no mercury and lower power consumption.

16:9 Aspect Ratio (1920 x 1080) LCD Panel displays 16:9 widescreen programs in their native aspect ratio.

Built-in ATSC / QAM / NTSC Tuners for flexible TV viewing.

High Brightness Sharp LCD TVs are very bright, so you can put them virtually anywhere – even near windows, doors or other light sources – and their picture is still vivid.

Two HDMI® Inputs for convenient connection to digital devices.

PC Input easily turns your TV into a PC monitor.

High Contrast Ratio provides incredible images whether you're watching dark or bright scenes!

USB Drive for Digital Photo Viewing and MP3 Audio Playback – Enjoy a slideshow with your family and friends
